

Why choose h&h?

- We are a Nationally Registered Training Organisation with over 20 years' experience in teaching and training for business and the aged care, disability and childcare industries;
- We have strong relationships with industry employers, which facilitates successful employment outcomes and opportunities;
- Choose how you learn (classroom, distance or traineeship);
- We offer small, hands-on learning groups, with no more than 20 students in any class;
- We offer support in all areas of study, work experience, resume and cover letter writing, and interview processes, with email support available six days a week (24-hour turnaround);
- Our trainers and staff have extensive industry knowledge and speak a variety of languages to support all our students;
- We offer Recognition of Prior Learning (RPL) and Credit Transfer (CT) for students with qualifying previous study;
- All courses offer nationally recognised qualifications; and
- We offer payment plans to suit your financial needs.

Certificate III in Early Childhood Education and Care (CHC30113)
Nationally Registered Training Organisation | RTO ID: 90784

Certificate III in Early Childhood Education & Care

CHC30113

Your career in childcare
starts here

About this Certificate

A Certificate III in Early Childhood Education and Care qualifies you to perform an entry-level role in Early Childhood Education workplaces. These roles might include Early Childhood Co-Educator, Assistant Educator, Early Childhood Assistant or Trained Early Childhood Educator.

Key elements of this course include*:

- Identifying and responding to children and young people at risk;
- Ensuring the health and safety of children;
- Providing care for babies, toddlers and young children;
- Mandatory 120 hours work placement;
- Developing cultural competence; and
- Providing First Aid in education and childcare setting.

** Please visit our website to view full course elements.*

Why choose this course?

Childcare is a rapidly expanding industry that increasingly requires skilled workers to care for and educate children from a young age through to early school years.

Students who undergo this training will gain the abilities needed to obtain an entry-level position in childcare workplaces, as well as acquire the basic knowledge and skills necessary for a long and successful career in this constantly expanding industry.

“Sunnyside Early Learning Centre has been using h&h for a few years now for our traineeships and we are very happy with the service provided. We would definitely recommend h&h, not only for our trainees, but for all of our staff.”

Cristina

Director, Sunnyside Early Learning Centre

“My teacher had vast knowledge in this field and was incredibly supportive of all her students. She worked hard alongside us to help us achieve our goals. I highly recommend this college.”

Suman Deep

Former student, Certificate III CHC30113 and Diploma of Early Childhood Education and Care CHC50113

What you'll receive

Students who undergo this course experience theoretical and practical components. The Certificate is made up of 18 units that can be taken at our campus in Granville, NSW (26 weeks), or completed as a Distance Learning Certificate (12 months) or Traineeship (12-24 months).

h&h Accredited Training offers weekday, weekend and evening classroom study options. Smart & Skilled Funding is available for eligible students (this training is subsidised by the NSW Government). Contact us to find out more.
